

Event Update 1

3pm Sunday 15th February

Christ Church Grammar School Pool

There is now only 18 days to go to the 2009 iiNet Team Sprint Cup and things are hotting up. You should all now be in full sprint training to ensure you are ready to take up the challenge. The iiNet Team Sprint Cup is a great chance to get your swimming mates, family, school friends and sporting groups to form a team and compete and all for a great cause, Autism West Support Inc.

More Teams Needed

The response so far has been great but we are still looking for more teams. Spaces are available for teams in the Open events, Over 180 years and Over 270 years events with great prizes to be won in all categories. What is now important is for all Teams to complete their personalised entry forms and forward them with payment to the event organisers urgently to secure your position, download your entry form now at www.teamsprintcup.com

Corporate Challenge Pivotal

More than 26 teams are already entered and primed for an adrenalin charged display of rivalry and team spirit. Corporate Team competitors include Euroz Securities, Richard Noble, Wyllie Group, iiNet, Gresham Partners, Lavan Legal, Blake Dawson, Steinepreis Paganin, National Australia Bank, StaWool Brokers, Amex Corporation, Cardno and Azure Capital.

We are still looking for more teams and your completed entry and entry fee must be received by Friday, 30 January to ensure your Corporate name is printed on your swim cap.

Olympic Gold Medallist Duncan Armstrong to MC the event

We are thrilled that Duncan Armstrong has agreed to MC for the 2009 iiNet Team Sprint Cup. Duncan represented Australia at two Olympic Games and broke the world record to win a gold medal for the 200m Freestyle in Seoul in 1988. Duncan is currently the Channel 7 commentator for the Olympic Games most recently in Beijing, as well as hosting Fox Sports Central on Sundays. Duncan will be a great addition to the 2009 iiNet Team Sprint Cup.

Family Day

We really aim to put on a show for the whole family. Throughout the afternoon we will have free childrens activities available, and a band will be playing immediately following the results presentations. During this time the pool will also be open for fully supervised free swimming.

On site catering has been arranged to ensure you will be able to purchase a selection of gourmet food, non alcoholic beverages and a choice of Swings & Roundabouts premium wines and Little Creatures boutique beers during and after the racing (Licensed venue therefore no BYO).

Huge thanks to our Sponsors

iiNet, Kirbyswim, Euroz Securities, Gresham Partners, Lavan Legal, Amex Corporation, Sportsfever and Christ Church Grammar School for their support of the Team Sprint Cup. A special thanks to Swings & Roundabouts for donating the wine for the event and Little Creatures for donating the beer.

Raffle

Special thanks to AHG who has donated a Vmoto Scooter to be raffled at the iiNet Team Sprint Cup, also Tony Sadlers and BarOne for donating the second and third prizes. Tickets will be for sale for \$5 at the Cup and the raffle will be drawn immediately after the presentations.
